

Regulations and Procedures Registration for Technical Experts

- You must have a Professional Accreditation from SCE as an engineer at least, and you can apply from here.
- You must have no fines regarding The Practice of Engineering Professions Regulating Law for the last year.

1. Categories & minimum points required & fees:

Membership fees " two years"	minimum points required	Categories
300 SAR	40 points at least	Technical Expert
400 SAR	61 points at least	Profession Technical Expert
500 SAR	71 points at least	Senior Technical Expert

2. **Categories of points and calculation method:** the applicant must have points in each category bellow:

- 1- **Education degree (15 Points in total):** 5 points for each degree (Bachelor-Master-PHD).
- 2- **Continuing Professional Development (15 Points in total):** 3 points for each training course in technical expert, the course should not be less than 15 hours.
- 3- **Profession accreditation in technical expert (16 Points in total):** 4 points for each Certified membership locally or internationally in technical expert.
- 4- **Experience Years as a technical expert (24 Points in total):** 4 points for each technical report that done by the applicant and must attach documentary proof.
- 5- **Experience Years of engineering work (22 Points in total):** 2 points for each year after graduation.
- 6- **legal knowledge: (8 Points in total):** 4 points for each course in technical expert, the course should not be less than 15 hours.

3. Categories of Technical Expert Specialties:

Specialties	Categories	No
<ul style="list-style-type: none"> • Civil • architect 	building engineering expert	1
<ul style="list-style-type: none"> • Civil • mechanical 	Road Engineering expert Bridges and tunnels Engineering expert Flood Control and Drainage Engineering technical expert sanitary engineering technical expert	2
<ul style="list-style-type: none"> • chemical • mechanical • petroleum 	petrochemical engineering expert	3
<ul style="list-style-type: none"> • Urban planning 	Urban plan expert	4
<ul style="list-style-type: none"> • civil • Surveyor 	survey engineering expert	5
<ul style="list-style-type: none"> • civil • Geologist 	soil mechanics civil engineer expert concrete and foundations and materials engineering expert	6
<ul style="list-style-type: none"> • mechanical • safety 	Fire engineering expert	7
<ul style="list-style-type: none"> • Electronics 	Electronics engineering expert	8
<ul style="list-style-type: none"> • Computer • Networks • Information Systems 	Computer & Networks engineering & Information Systems	9
<ul style="list-style-type: none"> • Naval engineering Architect 	Naval engineering Architect expert	10
<ul style="list-style-type: none"> • Aeronautical • aviation 	Aerospace engineering expert	11
<ul style="list-style-type: none"> • mechanical • industrial 	Vehicles and machinery engineering	12
<ul style="list-style-type: none"> • Nuclear Engineering 	nuclear facilities engineering expert	13
<ul style="list-style-type: none"> • electrical • mechanical 	energy engineering expert	14
<ul style="list-style-type: none"> • mechanical • chemical 	Desalination Engineering expert	15
