

Saudi Council for Engineers (SCE)

Engineering Offices and Companies Department

Office of the General Manager

No. 26643

Date: 23/8/1440

Subject: regarding compliance with the practicing standards and licensing for approved engineering offices and companies

Circular No. 3/40

To: Engineering offices and companies,

Greetings,

SCE extends sincere regards and appreciation and with reference to the Practicing of Engineering Professions Law issued under Royal Decree No. M/36 dated 18/4/1438H. Whereas the new profession practicing standards and the conditions for licensing engineering offices and companies have been issued according to the General Assembly resolution No. C6/15/40 dated 24/7/1440H (copy attached), you are requested to adhere to these standards and condition and rectify your status accordingly. Please note that during the upcoming weeks the SCE shall update all data and information related to engineering offices and companies through the electronic system in line with the provisions of these standards and conditions.

Best regards,

General Manager, Offices and Companies
